PROFESSIONAL PROFILE

Entry-level application development candidate with an academic background in Information and Communication Technology (Application Development) at Durban University of Technology. Familiar with programming, web technologies, database concepts, and software development fundamentals. Currently developing a personal ICT portfolio using HTML, CSS, and JavaScript to showcase technical skills and projects. Brings additional customer-facing technical support experience, problem-solving ability, and a strong willingness to learn and grow within a software development team.

EDUCATION

Diploma in Information and Communication Technology — Application Development
Durban University of Technology (DUT)
Academic requirements completed; official final results and award confirmation pending publication.

National Senior Certificate (Matric)
Suleman Patel Secondary School | 2022

- Achieved **83% in Business Studies**, earning a distinction.

TECHNICAL SKILLS

- **Programming:** C#, Java, and JavaScript fundamentals.
- **Web Development:** HTML, CSS, responsive design fundamentals, and Razor.
- **Databases:** SQL and relational database concepts.
- **Development:** Application development fundamentals, debugging, and problem-solving.
- **Tools:** Visual Studio Code, GitHub, and Cisco Packet Tracer.
- **Additional Knowledge:** Introductory Azure/cloud concepts, networking fundamentals, and Linux basics.

PROJECTS

Personal ICT Portfolio Website — In Progress

- Developing a personal portfolio website using HTML, CSS, and JavaScript.
- Organizing content across separate pages, including Home, About, Projects, CVs, and Certificates.

- Applying a dark navy and teal visual theme.
- Working toward responsive layouts and clear navigation.
- Using GitHub to present and share technical work.

Add other academic or personal software projects as you complete and publish them.

WORK EXPERIENCE

Technical Support Assistant
Albert Park Internet Café | October 2024 – January 2025

- Assisted customers with computer use and everyday technical difficulties.
- Helped troubleshoot basic computer and internet connectivity problems.
- Provided typing, printing, and scanning services.
- Handled payments and assisted customers with service enquiries.
- Developed communication, patience, problem-solving, and customer service skills.

CERTIFICATIONS AND TECHNICAL LEARNING

- Cisco Networking Academy — Network Basics.
- Cisco Networking Academy — Networking Devices and Initial Configuration.
- Cisco Networking Academy — Introduction to Packet Tracer.
- Cisco Networking Academy — Introduction to Cybersecurity.
- Linux Unhatched.
- IoT and Digital Transformation.
- HP LIFE — Agile Project Management.

KEY STRENGTHS

- Analytical thinking and problem-solving.
- Willingness to learn programming languages and development tools.
- Attention to detail.
- Communication and teamwork.
- Adaptability and commitment to continuous learning.
